WHY 9KITCHENS?

Sustainability. We endeavour to **reduce our carbon footprint** by focusing on plant-centric food, supporting small producers, addressing food waste and delivering our food with cargo bikes.

Wholesome food. We focus on **nutrient-rich cuisines with natural ingredients: creative canapés, delicious breakfasts and lunches** for your teams and events, inspired by the healthiest cuisines.

Inclusion. We support, train and **employ vulnerable people** who are facing barriers to employment. As a social enterprise, we have a dual mission to provide a brilliant service to our clients while having a social impact. We believe that businesses can also benefit society.
