CHINESE NEW YEAR COOK ALONG WITH ACCENTURE

Our recent "Chinese New Year" themed cook along session was AMAZING! Christina and I had so much fun organising this session for Accenture. From understanding people's dietary requirements to arranging the logistics of delivering the ingredients and the hosting the session, we absolutely loved working with the team at Accenture!

DISHES :

SPRING ROLLS

Delicious vegan spring rolls - a yummy snack eaten to mark the arrival of spring in the Chinese history.

LONGEVITY NOODLES

A traditional Chinese dish that is often served at birthdays and celebrations like Chinese New Year

Nathanael Taylor

The methodical and patient way in which Christina took us through the class really shone through and allowed for cooks of all levels within our class to create something truly delicious. It must be said, that this wouldn't have been possible without the time taken beforehand by Kieu-My and Christina to truly craft the best session possible (made more difficult by it's need to be held virtually). It was a very well run and thought out session, and I'd absolutely organise a session through BOM again.
